Subject: Quote T-Shirts

Dear Aymara,

I thank you for your recent visit and the opportunity given to me to plan the manufacturing of T Shirt for Russel Corporation. Further to our conversation, I suggest the followings:

I am interested in a long term arrangement and relationship that will be

beneficial to both parties.

I am prepared to sew the T Shirt at a rate of 30000 dozens per week minimum, at the price of \$2.05 / dozen during the first 6 months of production. This period will start after the trial run. The price will

be reduced to \$1.90 for the next 6 months of production and \$1.80 thereafter.

I will supply all necessary equipments for the project.

In order to benefit from the economy of scale, I would like the volume

to increase to 45000 dozens / week. I plan to justify the worthiness of

such increase, by on-time delivery of quality products.

I would also like you to know that I am interested in making placket shirts if it can be included in our plans.

Should you have further questions concerning this plan, please do not hesitate to contact me or Elisabeth or Bob, any time at your convenience. Our numbers are as follows:

Elisabeth Apaid: 509-561-3425 eapaid@acn2.net
Bob Godefroy: 509-554-4204 bg@acn2.net

I would like you to confirm your interest in materializing this project. By so doing, this will enable me to proceed into securing buildings, equipments and other business aspects relating to this venture.

Sincerely,

Andre M. Apaid
